Re: Courtesy Notice of Sale of Interests in Transformer Services Holdco, LLC, Parent
Company of Clean Harbors Los Angeles, LLC

Dear Ms. Sanders-Curry:

As you are aware, Clean Harbors Los Angeles, LLC ("CHLA") operates and owns the facility at 5756 Alba Street, Los Angeles, CA ("Facility"). An agreement is in place to sell all of the outstanding membership interests or shares of CHLA's parent company, Transformer Services Holdco, LLC, to Emerald Transformer Western States, LLC. CHLA will continue to operate and/or own the Facility. The Managers of the facility will remain the same, and all employees of the facility will continue to work at the Facility. Financial assurance instruments approved by your agency will remain in place. CHLA will remain a separate and distinct legal entity, and the transaction will not have an impact on CHLA corporate structure.

Pursuant to correspondence from Jeff Scott of EPA Region 9 dated May 11, 2017, CHLA is contacting you to provide notice of this change. Because the Owner and Operator remain unchanged, and the approved financial assurance will remain in place, it is our understanding that a formal permit modification is not required.

"People and Technology Creating a Better Environment"

Please contact me at (781) 792-5169 or Joe Christopher at (310) 835-9998 if you have any questions or concerns regarding this notification.

Sincerely,

A handwritten signature in black ink, appearing to read "Will F Connors".
